MESSAGE FROM THE PRESIDENT:

Welcome to the 2011 year with the Charlotte-Mecklenburg Retired School Personnel. As president of CMRSP, I am looking forward to another successful and productive year. Thanks to the membership, we have surpassed all of our goals. We were able to give five scholarships this past year to three high school seniors and two teacher assistants. There was an outpouring of generosity and we were able to increase our donations to Loaves and Fishes. Also, your volunteer hours of service increased in 2009-2010. With great anticipation, I look forward to another successful year.

Our board has been working together to plan the 2011-2012 year and we believe this year will be filled with informative and fun filled activities. Our September 19th luncheon will feature Eric Davis, Charlotte-Mecklenburg School Board chairman. Please plan to attend this meeting at the Hilton at University Place at 11:30 a.m. The cost of our meals will remain the same—\$17.00 for members and \$20.00 for non-members.

Congratulations to the new CMS retirees!!! They have made a difference in the lives of many children and have had a similar impact on the community. Please continue to be a valuable resource for children and the community by joining and being an active member of the Charlotte-Mecklenburg Retired School Personnel. WE NEED YOU!!!! There is

strength in numbers.

Our goals for this year will continue as we started last year, to increase our membership by 15%, increase our awareness of state and national conventions by mailing our registration forms to all members, and increase attendance of allocated delegates to the State Convention. We are always open to suggestions and recommendations on how to make the organization stronger and more viable to the entire membership.

We applaud Governor Beverly Perdue for her continued support of education in the state of North Carolina. She is truly a friend of children and supporter of education. Please feel free to call me with you concerns.

Rosalind Lackey,
President CMRSP
