Box Tops for Education

Thank you Kim Whitley for collecting Box Tops for Education. At our last meeting we had already collected \$30.20 worth. Keep those Box Tops coming in. It's an easy way to help the schools purchase equipment. Box Tops can be found on food products. Just clip the coupon with the logo shown above.

Teresa Poplin from Carolinas Health Care gave our program on Heart Health at February's meeting. Here she talks to member Charles Phillips.

Marilyn McClain Co-Director for Region 3 of the NCRSP attended our February meeting.
