

Legislative Starlight Award Guidelines 2017

The Legislative Starlight Award are designed to allow Local Units/Region, of various sizes, receive recognition for outstanding or unique individual projects they have developed and carried out in the community.

The Legislative Goal is developed and adopted by the NCRSP Strategic Plan. The examples that fall under each area are to be utilized as a foundation to develop an individual Local and or Region Program of the organization. Using the following criteria will align local activities with the mission and state program goals of NCRSP and promote uniform efforts to create a valuable community service and public recognition of the organization.

To become a “Legislative Star” the Local/Region must document completion of at least 8 of 10 objectives listed. Documentation may include pictures, numbers of members involved, descriptions of activities or process, copies of surveys, agendas of membership events, etc.

Documentation should be placed in a folder. Each entry should include a title page with name of local/region and contact information for president/director. A table of contents should be provided. The entry should be forwarded to Recognitions Chair Debera Cole-Jones (8462 NC Hwy 8, Lexington, NC 27292) by February 15, 2018. “Stars” will be recognized at the NCRSP Convention in March.

For questions or information contact Debera Cole-Jones sydh771@twc.com or 336-357-3544.
