

Stanly County Unit: NCRSP

You are invited to become a participatory member in Stanly County NCRSP's social media presence. How?

Use your camera/cell phone and document your and your friends' participation in our luncheon/business/entertainment meetings. Make some NCRSP "Selfies" so to speak. Send your pictures to the webpage custodian, Gordon Lampley. Tell me who is pictured, who made the submission, etc. I will select pictures and identifiers to share on our local webpage.

Find us at www.ncrsp-6.org .
