The Stanly County Unit of NCRSP met in the fellowship hall at First Baptist Church of Albemarle for the March 23, 2017 meeting.

President Cindy Misenheimer welcomed 45 members and 3 guests in attendance. Cindy informed members that we are meeting in Albemarle again this month due to the renovations being made at Dennis Vineyard.

Cindy shared that members have expressed an interest in continuing meetings for next year at First Baptist. Cindy shared that she will check on the rental agreement for 2017 to make sure this site would be available for all of our meetings before making any changes.

Cindy welcomed Hi-Lites Clothing Franchise Manager Cissie Poplin for the Hi-Lites Spring Fashion Show featuring models from the Stanly County Unit. As models walked through the fellowship hall, circling the beautifully decorated tables, members were given information on the lovely spring fashions available for purchase by Cissie Poplin.

Models for the fashion show were: Harriet Archer, Kim Efird, Ann Lowder, Pam Medlin, Priscilla Perry, Carole Poplin, Gayle Russell, Ginger Swaringen, and Mary Ella Vick. Serving as coordinator for the fashion show was Libby Phillips.

Cindy reminded members that Teacher Appreciation Week is scheduled for May 1-5. She informed members that envelopes will be distributed to volunteers who have signed up to carry items to the schools during this week. The money will be helpful in making purchases for this effort but may not cover all the cost. Several members were requested to help in this effort to reach out to all schools.

Cindy informed members of the NCRSP Region 3 general membership meeting scheduled for April 24 in Charlotte. Members were encouraged to register for this meeting at the registration table.

Members were given copies of the meeting Agenda, Minutes from the February 23, 2017 Meeting, Treasurer's Report, and Insights update for their reference. Teresa Carricker announced a correction on the Treasurer's Report. The beginning balance date should be 2-23-2017 instead of 12-8-2017.

Cindy shared information she had received from the NCRSP leadership about the increasing cost proposals for the medical health plan for retirees. She informed members that it is very important to let our legislative representatives know of our concerns about any increases to our policies.

Following the business meeting, Dwight Eudy, caterer announced items on the buffet table for our enjoyment. Cindy Misenheimer led everyone in prayer for the meal.

Mary Adkins and Cindy Misenheimer announced the winners during the door prize drawing. The winner of the free meal for April is Rita Griffin.

The next meeting of the Stanly County Unit will be held at Dennis Vineyard on April 27.

Respectfully submitted,

Claudette Burris, Secretary
