## Welcome to NCRSP Region 3

September 10, 2016

The webpage for NCRSP Region 3 is located on a commercial webhosting site that was originally part of Yahoo Small Business and later by Aabaco Small Business when Yahoo created a spinoff company. The current url, ncrsp-6.org, is an artifact of the website's original District 6 origins. Creating a new webpage with a more number friendly url would not be impossible but since the current page has been under the care and maintenance of the same webmaster for the last seven years, the decision has been made to continue the website with its current url. The cost of having the page hosted by Aabaco is \$120 per year and is currently charged to the webmaster's credit card with the Region making reimbursement each year.

The webmaster is the only person with posting access to the webpage. Particulars on passwords, etc. have been shared with the Region 3 Treasurer should the need arise. Locals may submit items for posting on the website by providing them to the webmaster in a variety of forms. Submissions may be forwarded electronically via email to the webmaster, [gordon.lampley@gmail.com](mailto:gordon.lampley@gmail.com) . Items may also be sent via standard mailing and the webmaster can scan those items for addition to the webpage of the local.
