Remember, if you have not taken action for the State Health Plan's Open Enrollment, time is running out! Open Enrollment ends October 31, 2018.

Here are some important reminders:

**All Medicare members currently enrolled in the 70/30 Plan will be automatically enrolled into the UnitedHealthcare® (UHC) Group Medicare Advantage (PPO) Base Plan effective January 1, 2019. You will need to take action during Open Enrollment if you want to be enrolled in a different plan option. Remember, UHC subscriber rates are lower this year than last!**

**If you are enrolled in a UHC Group Medicare Advantage Plan and are satisfied with your current UHC Plan, you do NOT need to take any action during Open Enrollment.**

As a Medicare-eligible member, you have three plan options to choose from for 2019:

- The UnitedHealthcare® (UHC) Group Medicare Advantage (PPO) Base Plan
- The UnitedHealthcare® (UHC) Group Medicare Advantage (PPO) Enhanced Plan
- The 70/30 Plan, administered by Blue Cross and Blue Shield of North Carolina (Blue Cross NC)

Don't forget, both of the UHC Medicare Advantage Plan options include:

- NO deductible
- Coverage for medical services from doctors, clinics and hospitals in one plan
- Prescription drug coverage
- No referral needed to see a specialist
- The ability to see doctors outside the network for the same copay or coinsurance as in-network providers as long as the provider accepts Medicare and the plan
- Additional benefits and features beyond Original Medicare like SilverSneakers and HouseCalls program
